

## *In Loving Memory*

Crystelle L. Chilson, 20,  
a lifelong Alaskan died unexpectedly  
Wednesday, January 28, 2015 in Anchorage.

Her Memorial Service will be held at Nikiski New Hope Christian Fellowship  
at 4:00 p.m. Tuesday, February 3, 2015.

Crystelle was born Jan. 19, 1995 in Soldotna. She grew up on the Kenai Peninsula attending  
school in Nikiski. She moved to the Wasilla area in her mid-teens where she graduated a year  
early from high school. She was recently living and working in the Anchorage area.

Crystelle was exceedingly creative. At a very young age she would express herself by writing  
stories and plays. She loved making music, and became an excellent self-taught guitarist and  
began to both write and perform original songs that came from her heart.

Crystelle had a beautiful smile and a radiant twinkle in her eye.

She was full of dreams, full of hope and possibilities for her life.

She loved her savior Jesus, and deep within her heart was never  
far from Him. She loved her friends and relationships, the  
smiles and laughter they shared together, and the excitement  
of both being with people, but also the interaction with them.

Crystelle was truly a friend to many and will be missed  
by all who ever knew her. All her family and friends  
love her, looking forward to seeing her in heaven.
